Congratulations!

Today is the beginning of making YOUR health a priority!

At Inner Fit Nutrition we strive to help to achieve your health and wellness goals, providing support and resources to get you on the right track.

Please see attached initial intake forms and 3 day food diary for you to fill in <u>prior</u> to your appointment.

Please fill this out to the best of your knowledge and be honest with the food diary. This gives me an idea of what you are currently eating and where support is required. If you can make one of these days over the weekend that too would be great, but they don't need to be consecutive days.

Appointments go for 75-90 minutes. Initial consults are \$150. Within a week of your initial appointment, I will present to you a thorough report of findings detailing dietary, lifestyle and if any, supplementation recommendations. (30 mins \$40). Specific meal planning is an additional \$49 if required.

If you have private health insurance and nutrition selected on your cover, you may be eligible for a rebate from you fund.

PLEASE MAKE A NOTE OF THE LOCATION OF YOUR APPOINTMENT WHEN MAKING YOUR BOOKING

Cancellation policy- A cancellation fee of \$50 is charged for any consult that is cancelled within 24hrs of the appointment time.

Regards

Amanda Martindale
